**PLEASE NOTE:** Sections 74956 and 74957 of the California Food and Agricultural Code provide that payment must be made to the Commission within 30 days after the date the buyer deducts the assessment from the payment to the grower. Payments that are not made in that time frame are subject to a penalty of 10% with interest at the rate of 1.5% per month. Section 74956 also specifies that "vintners responsible for deducting the assessment may deduct and retain an amount not in excess of that reasonably necessary to cover the actual costs of services provided by the vintner." The Lake County Winegrape Commission members have specified that winegrape purchasers may withhold up to 1% of the assessment amount to cover the costs of their services.
