

Lake County Winegrape Commission's "Future of Agriculture" Scholarship

On behalf of Lake County winegrape growers, the Lake County Winegrape Commission is offering a scholarship program – "Future of Agriculture" – open to Lake County graduating high school seniors who will attend college in the 2021-2022 academic year.

The Lake County Winegrape Commission (LCWC) will award one \$5,000 scholarship to assist a graduating high school student who will study viticulture, enology, plant pathology, crop science, sustainable agriculture, agribusiness, or a related field from a four-year university. The scholarship may be used to offset tuition and school supplies.

Eligibility

One scholarship will be awarded to a deserving student enrolled full-time (minimum of 12 units per semester/quarter) at a four-year university in a program of study that will enable the student to contribute to the winegrape segment of the agriculture industry. Applicant must be a graduating high school senior from a high school located in Lake County, California, with permanent residency in a Lake County school district for at least two years. Immediate relatives of LCWC board members or employees are not eligible.

Application Process

To be considered, submit a complete, signed application packet by mail to:

Lake County Winegrape Commission, Attn: Scholarship Program
3865 Main Street
Kelseyville, CA 95451

A complete application packet consists of:

- Completed, signed application with 250-word essay
- Signed, sealed official copy of high school transcript
- Copy of parents'/guardians' most recent Federal 1040 tax return (first two pages only with social security numbers blacked out)
- Two letters of recommendation

Application packets must be postmarked **no later than Friday, April 9, 2021.**

Selection and Award

Award selection is based on the student's financial need, academic achievement, and demonstrated interest in agriculture through ag-related activities, community service programs, and/or employment in an ag-related field.

The Lake County Winegrape Commission's Community/Industry Relations Committee will review and rate applications and conduct finalist interviews (via Zoom), the Commission's Board of Directors will make the final award selection. The decision of the Board is final; there is no appeal. Funds will be awarded via check to the student upon submission of first report card.

Questions: Debra Sommerfield, LCWC President, debras@lakecountywinegrape.org

**Lake County Winegrape Commission's "Future of Agriculture" Scholarship
2021 Application Form**
